

October 15, 2018

This is a very busy and exciting time for Jackson. Please see all the upcoming events scheduled. I want to take the time to thank all involved in volunteering to help with these events. Without your help, it would be impossible to host these events.

The town received a Parks and Recreation grant to install new playground equipment at DeSoto Park. We hope the new equipment will provide recreation to all that use the new equipment. Thornton Park received a grant last year to install new playground equipment. We hope that you have taken the time to enjoy these upgrades. I want to thank all involved in helping with the installation of the equipment at both parks.

The 2019 Parks and Recreation grant will concentrate on improvements to Harvey Park. We look forward to needed improvements at the ball park.

Please continue to visit our website. I am going to try my best to give you updates as they come about. Please be patient as we try to make the website more user friendly and keep it current with picture galleries, upcoming events, citizen advisories, etc. Tell your friends and family about the website.

We wish you the best during the upcoming holiday season!

Mayor Etheredge
